

03-19-2011 Sebring International Raceway - 12 Hours of Sebring – Race News

Sensational win for Mike with Genoa Racing at 12 hours of Sebring FL.

Sebring FL., Saturday, March 19, 2011 –

Sensational win for Mike at the 12 hours of Sebring with team Genoa in the LMPC class, finishing a stunning 9th overall in the 59 car field of the 59th running of the 12 hours of Sebring in the No. 036 Molecule/DuPont ORECA FLM09.

The No. 036 Molecule/DuPont ORECA FLM09 was the car to beat, after teammate Dane Cameron already posted the fastest lap during qualifying for Saturday's race.

Dane Cameron, Michael Guasch and Jens Petersen switched driver duties throughout the 12 hour race with Mike driving the start stint of the race.

The trio ran as high as 7th overall at times leading the second place LMPC car by more than a lap for the majority of the race.

A more detailed race report will follow shortly.
